## SIGNATURE VOLTA COCKTAIL TABLE

300-0708-01

Named after the Italian physicist and inventor of the electric battery, the Volta comes with a marble top in a geometric asymmetrical shape. The faceted wood base recedes like diamond into the floor. The two materials are fused together with a beveled brass frame. A signature design by Cliff Young, available in a variety of sizes and/or finishes, including custom. Contact us for details.
