Brawny in look and demeanor, the Sloan dresser exudes an atmosphere of strength and elegance where metal combines smoothly with exquisitely selected wood in this 6 drawer dresser. This classic modern dresser design contains graduated drawers that lead the eye upward and center to where metal detailing rests slightly behind the top drawer creating a sense of floating in mid air and making this otherwise imposing dresser a modern masterpiece. Simplicity and strength are key for this classic modern dresser design. It melds seamlessly into any room design with an aesthetic that requires an element of ascendancy to really set the room apart.
