SIGNATURE ZARRA NIGHTSTAND

300-1706-01-1

Simple and sophisticated, this luxury design nightstand is a signature of the Cliff Young collection, designed specifically to emulate the modern eccentricities of 21st Century NYC design. The Zarra Nightstand is a big statement in a small package. Shallow recesses just below an open compartment separate the layers of the nightstand to create a weightless effect while being anchored to the floor by thick legs that meet in a sturdy base. At 32 inches, the nightstand is almost three feet wide, making it a strong statement piece as a luxury design nightstand beside any bed. Design over glamour. Details over opulence. Beauty with purpose. It truly is the nightstand you never knew you needed. A signature design by Cliff Young, the stand is available in a variety of sizes and/or finishes, including custom.
