DECO CHANDELIER

124-1602

In a display of modern symmetry, this trio of lighting fixtures comes together through long, delicate arms to be joined at their base. With the striking angles of the extenders and the luminescent curve of the glass cover, the Deco chandelier is the picture of poise. The 3 Light Pendant shown here comes in glossy black nickel with white glass shades. Available in small and large sizes. Contact us for further details.
