WHIM DINING CHAIR

136-1109

The organic silhouette of the back and the seat of Whim Dining Chair are manufactured in injected polyurethane foam. They perfectly adapt to the shape of the body and offer maximum comfort. A modern sled base in steel or, alternative, four legs in solid wood give it a very contemporary touch.

OPTION	MATERIAL/FINISH	DIMENSION	PRICE
1109	injected polyurethane foam, sled base in steel or 4 leg base in wood	X X
