FUNGO CHANDELIER

53-21-08, 53-21-09

The Fungo chandelier is based on wonders of nature, such as mushrooms sprouting on logs and fallen branches. This inspiration was channeled into traditional glassmaking technique fused with the wooden structure. The resulting artwork is a striking contrast between the two materials. Handmade glass may contain bubbles and shades may vary due to the manufacturing process.

OPTION	MATERIAL/FINISH	DIMENSION	PRICE
