

HARP DINING TABLE

131-12-01

Harp Dining Table is a picture of harmony, both in shape and materials. Contemporary as it is functional, this table comes with tempered glass, ceramic, wood and marble tops. Thermoformed wooden legs in Canaletto walnut or heat-treated dark oak add an extra flair to this music inspired showpiece. Extendible option with aluminum guide bar is available in tempered glass and ceramic top only.
