## GRID CONSOLE

Grid Console might be the a perfect example of how the latest technology contributes to a traditional artisanal technique, resulting in beautifully refined console. MDF material used in its production is embossed and laser-worked or covered in wood. That creates a Capitoné effect and produces a grid of pillow-like curves. Colors options include matt white, black, beige and matt champagne with a latest addition of the most elegant Canaletto walnut.

OPTION	MATERIAL/FINISH	DIMENSION	PRICE
	Matt White, Matt Black, Matt Beige, Matt Champagne	W 63.78" x H 25.6" x D 21.25"
