

DESMONDO NIGHTSTAND

SKU # 300-1705-01

Using clean, rectilinear shapes and simplified, modern lines, the Desmond nightstand will lend an air of Zen to your bedroom. Contemporary bedroom accessory at its finest, the Desmond completes a sleeping arrangement designed for lux relaxation. A slight recess into its center breaks up the classic face of the stand, setting off the dynamic nature of the geometrically soothing design, and a custom combination of finishes completes the look and brings it home to a unique vision for your bedroom. Another example of simple luxury, this two drawer nightstand is faced on all sides with painted glass and framed with Stained Tabu Ash. A contemporary bedroom accessory design by Cliff Young, available in a variety of sizes and/or finishes, including custom. [Contact us](#) for details. PLEASE CONTACT US FOR PRICING
