

TELO NIGHTSTAND

Exhibiting beauty and grace in its highest design form through its elegantly styled chest-shaped drawer resting neatly on a delicate metal frame, the Telo nightstand is an unforgettable piece of contemporary bedroom furniture. It sits like a dream on a fully connected metal base which rises, in exquisite fashion, from the floor to cradle the boxed drawer giving it the appearance of a lone cloud in the sky. A small horizontal handle in the center of the drawer drawn from the same material as the legs and base bring the ethereal look together and practically beg to be placed in a room designed for an elevated sense of relaxation. This exquisite piece of contemporary bedroom furniture design is completely customizable and comes in a variety of sizes and finishes. [Contact us](#) for more details. PLEASE CONTACT US FOR PRICING
