

SIGNATURE DESMONDO NIGHTSTAND

Using clean, rectilinear shapes and simplified, modern lines, the Desmond nightstand will lend an air of Zen to your bedroom. Modern bedroom accessory design at its finest, the Desmond completes a sleeping arrangement designed for lux relaxation. A slight recess into its center breaks up the classic face of the stand, setting off the dynamic nature of the geometrically soothing design, and a custom combination of finishes completes the look and brings it home to a unique vision for your bedroom. Another example of simple luxury, this two drawer nightstand is faced on all sides with painted glass and framed with Stained Tabu Ash. A modern bedroom accessory design by Cliff Young, available in a variety of sizes and/or finishes, including custom. [Contact us](#) for details. PLEASE CONTACT US FOR PRICING
