

LIGHTNING PENDANT

Complement your contemporary stylistic composition by adding the Lightning Pendant fixture to your living room arrangement! Made with a small LED light suspended from a metal stem (which comes in three matte finishes: gold, rose gold, and graphite), it is available in three sizes and can serve as a single element or in a cluster. Its single canopy comes in the same finishes as that of the structure, making this a subtly elegant piece without compromising on functionality. PLEASE CONTACT US FOR PRICING
