

## GIOIELLO END TABLE I

SKU # 191-14-76024

Elegant like jewelry, the [Gioiello](#) End Table I table is inspired by raw cut of precious stone prior to being mounted into a ring. The choice of materials is aimed to emphasize this inspiration behind the collection. The metal base structures are available in copper, brass, steel and nickel, each of which corresponds to a geometric form. Like in jewelry design, the glass tops in transparent or light colors are literally set onto the base structures. For more options, please check out our [occasional tables](#) category.
