SKU # 10-18-1429

Originally conceived in 1970 by Milo Baughman, the on 3 Lounge Chair is an iconic modern chair design packing lots of dramatic punch in a thoughtfully minimal package. Its striking curvilinear frame is carved to form three, stout legs that support a supple upholstered seat and back filled with trillium and poly blend down. Baughman's signature glamour is infused into the chair's dramatic frame – available in either Walnut veneer, polished stainless steel, dark bronze or slip match Maple veneer in several wood finishes and paint colors and upholstered in a variety of fabrics or leathers.
