

STAR SECTIONAL

The [Star](#) Sectional is rooted in imposition and disturbing the elements of natural order to create something new. Playing with aggressive and powerful contours designed to impose their being in a unique space, the Star features low backs, curved lines, swooping drops, and the illusion of a floating space, where the design is set against the norm, finding character and its own unique balance with which to contrast. Available in a variety of sizes, configurations, and materials. For more options, please check out our [Sofas & Sectionals](#) category. PLEASE CONTACT US FOR PRICING
