

## FACET PENDANT CLUSTER

Moritz Waldemeyer took the geometrical shape of the classic chandelier outline and turned it into a diamond-like hexagonal glass unit— as if attempting to systematize chandelier-making tradition. On its own as a single pendant or in combinations of multiple items to form a larger chandelier, the Facet components stand out as clear, disciplined, and geometrical, offering opulence to the established functionality of the piece. The Facet is also available in clusters of 7, 19, or 37. PLEASE CONTACT US FOR PRICING
