

FROZEN PENDANT

SKU # 53-21-80270

Inspired by the transformation from water to ice, Maxim Velčovský allows the glass of the Frozen Pendant to spill over a metal form, seeking an advantage in its natural properties. Each piece traces back to a unique record of the process, placing a premium on novelty. Pieces of ice created by nature lend inspiration to the piece, applying that natural element of randomness to his craft in the context of glassmaking. PLEASE CONTACT US FOR PRICING
