

CIPHER FLOOR LAMP

SKU # 53-16-80405

The Cipher Floor Lamp is a juxtaposition between heritage techniques and contemporary form. Its delicate, cylindrical, hand-blown crystal pieces are cut with clean, clear lines. Light emits only from connection points and the sources are ingeniously hidden to soften the overall effect. With its components polished in champagne-gold finished connections, the piece's general, linear form creates a poetic visual rhythm. As a system, the Cipher is extremely flexible and customizable, with limitless possible configurations for private residences and bespoke installation projects alike. PLEASE CONTACT US FOR PRICING
