

## TAC TILE HORIZONTAL TABLE LAMP

SKU # 53-25-80655

The Tac Tile Horizontal Table Lamp is an ode to a truly tactile material that embodies religious, institutional, and monumental architecture. It was inspired by the 1932 Maison de Verre (a.k.a. the House of Glass), Czech metropolitan passageways, traditional Chinese tiled roofs, the Flatiron Building, and modernist glass blocks. Its purist, triangular profile became the core form, adapted into a spectrum of applications from table and floor lamps to suspended pendants. PLEASE CONTACT US FOR PRICING
