

GIOVANNA SOFA

Designed with utmost attention to detail, the proportions of the Giovanna Sofa make it a versatile and effective addition to a given space. With careful observation, one will notice the width of the arm is slightly different to that of its back, the ergonomic needs are different, and it was a conscious effort to steer clear from a more typical, uniform width that circumnavigates the entire piece. With metallic influences supplying a luxurious atmosphere and every detail studied to give life to the piece, the Giovanna is designed for easy cleaning, comfortability, and extensive functionality.
