

CRYSTAL ROCK VASE LARGE

SKU # 53-40-83014

Following the success of his Crystal Rock pendant lights, LASVIT has extended this versatile design line with its vases. Certainly not from the Stone Age, but closer to the fictional Kryptonite, Crystal Rock appears in the cave of the future as an ambassador to the fusion of nature and man, light and reflection, transparency and mass. All these characteristics are gathered within a contemporary silex that interacts between light and darkness. PLEASE CONTACT US FOR PRICING
