

CUFF DAYBED

The Cuff Collection, inspired by the curve of the wrist bangle of indigenous cultures, brings an elevated aesthetic to the outdoors. The frame is powder-coated aluminum with a custom weave that is semi-transparent to let the elements of light and air flow through. The seat platform is slightly elevated from the ground to give the pieces a lightweight feel, as if taking flight. The Cuff Collection is a gem that is treasured and cherished, like the moments of our lives. Throw Pillows Included.
