

CUFF ROUND BLACK GLASS DINING TABLE

The Cuff Collection, inspired by the curve of the wrist bangle of indigenous cultures, brings an elevated aesthetic to the outdoors. The frame is powder-coated aluminum with a custom weave that is semi-transparent to let the elements of light and air flow through. The seat platform is slightly elevated from the ground to give the pieces a lightweight feel, as if taking flight. The Cuff Collection is a gem that is treasured and cherished, like the moments of our lives. PLEASE CONTACT US FOR PRICING
