

BLADE STUDIO SOFA

SKU # 10-24-84539

The Blade Studio Sofa is designed by Ransom Culler. Our edgy Blade collection is defined by slender support legs that give these pieces the illusion of being suspended in thin air. Hidden interior support rails allow for the minimal front rail profile while maintaining exceptional seating comfort. Our Blade items feature poly blend down seating and three leg finish options: dark bronze, polished stainless or walnut veneer. Select from any of our in-house curated fabrics or leathers or provide COM for upholstery. For more options, please check out our [Sofas & Sectionals](#) category. PLEASE CONTACT US FOR PRICING
