

EPSILON DINING TABLE

Architecture meets interior home design, Epsilon Dining Table, a vision by Manzoni & Tapinassi is a design that connects these two worlds. The base stands tall and strong, supporting the top made of metal and wood interplay. The result is a dining table with a strong dynamic that showcases how two design worlds can come together to make something inspirational and unique. For additional dining table selection please check out our [dining table](#) category. PLEASE CONTACT US FOR PRICING
